We will have a picture day for team and individual pictures and parents will be given the opportunity to purchase pictures of their child. Order forms are typically given out one week prior to scheduled picture day. Teams may decide on having an end of the year team party that may require an additional fee. Teams usually have a snack schedule that rotates between team members to bring snacks after games or practices.

Where are the practice/games?

All practice and games will be held at Lucky Shoals Park Community Recreation Center's Gymnasium located at 4651 Britt Rd. Norcross, GA 30093. 4 teams will practice at one time and there will be 2 games played at one time.

Practice times are selected by the volunteer coach and will be Monday, Wednesday or Thursdays at 6:00, 7:00 or 8:00pm for one hour on ½ of a basketball court. Participant must be able to practice Monday Wednesdays and Thursday nights. Younger teams will practice at 6:00 or 7:00pm and older teams will usually practice at 7:00 or 8:00pm. Practices will be held on Saturday's up until games begin. Younger teams will usually practice in the mornings and older teams in the afternoon.

Most games will be held on Saturdays with one week of games and tournament games held at night during the week. Games begin at 9:00am on Saturdays and are played each hour. The youngest age groups play first and the older teams may play as late as 6:00pm depending on number of teams. No basketballs allowed on game days!

When will the uniforms arrive?

Typically uniforms are distributed at the last practice before games begin or prior to the 1st game by Lucky Shoals staff. Parents will be notified and must sign for their own child's uniform.

How are the coaches selected?

We are a Government ran organization relying on volunteers to help. Without the help of our parents and community, we would be unable to offer this program. All head coaches must pass a background check in order to coach for Mustang Athletics and are required to attend a coach's clinic held prior to evaluations and drafts.

What if I want to volunteer to coach?

Fill out the Coaches application on the home page of www.mustangyouthathletics.com and return to Mustang Athletics Staff member. Priority is given to coaches that have previous coaching experience with Mustang Athletics, or another Youth Athletic Association. If we have too many coaches, the last volunteer to turn in their coach's packet will not be able to coach. Each coach may have 1 assistant coach per team.
